

# CONNECT EUROPE

## About the Convention

Connect Europe is about you and other passionate young people taking responsibility in their local church to follow Jesus Christ within Christian Endeavour.

This convention wants to gather young people (16+), train them and give them a new vision how to reach our young generation in Europe. We want to restart the approach to a mission pointed directly at the broken, the blind, the lost and hopeless neighbours, friends and relatives.

The programme will have message, worship, workshops, fun activities and even more.

Be part of an intensive convention and learn more about God's plan for your life.

### Programme 2013

–The Convention's programme is all about „connection“ and its importance to the relationship to myself, other people and God.  
Bible message and the key topic theme are presented by international speakers of CE.

–Beyond the main programme the Convention presents a varied list of seminars and workshops like “Emotional Intelligence”, “Inter-generational Work”, “Mission in High Schools”, “Student-led Ministries”, “Youth Work In a Postmodern Society” and even more.

–Worship times, sports and games programme, cultural exchange and special night sessions complement this European Convention.  
Don't forget to bring something typical from your country (a song, a dance, special clothes or whatever fits best) and your country's flag for our night of nations.

### Key Note Speakers 2013

**Bacskai-Bálint** came to faith in Jesus Christ in his teenage years. The faithfulness of the Lord kept me on His path. After 3 years of seemingly fruitless ministry he witnessed a small awakening in the boarding school in Debrecen 22 years ago. At present he is ministering as a pastor of a Center City Reformed Church in Budapest and serving together with older and younger brothers in the Hungarian CE.

**Karsten Hüttmann** was born and raised in Hessen, Germany. After he graduated from school he joined the Army for 3 years before he studied theology at the Theological Seminary St. Chrischona in Switzerland. At the moment he is the director of youth evangelism at the German CE in Kassel. Karsten is married and has two little girls.
