

Vision Statement of the WCEU

as adopted at the Board of Trustees Meeting in Liberty Corner, N.J., U.S.A.
on Sept. 22-23 2003

Christian Endeavor is a Christ-centered, Bible-based movement whose goals are to reach people cross culturally, especially young people, with the Gospel of Christ, disciple and train them to serve Christ and the Church, and provide fellowship for them through Christ's Church. The foundation of this movement is its pledge and four principles.

The World's Christian Endeavor Union believes its vision is to serve Christ by strengthening our national unions, and, through them, their member groups.
